

What Is The Simmons Network?

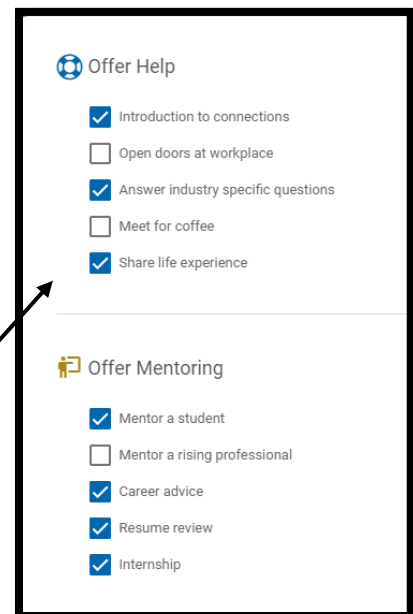

Simmons Network fosters a vibrant, Simmons-centric community through networking, mentorship, and personal connections that support its lifelong leaders and learners.

Exclusive to Simmons University alumnae/i and students, Simmons Network is a resource dedicated to connecting you with the Simmons Community and helping you build your personal and professional networks.

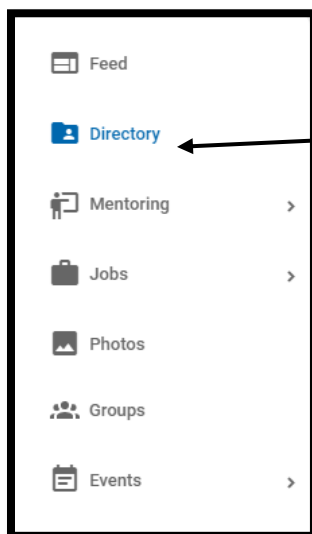

How to Set Up Your Simmons Network Profile

- Register to join the Simmons Network at <https://simmonsnetwork.net>
- Connect your profile from LinkedIn or set up a profile with a professional headshot. Update your information in the following fields:
 - Contact Information (non-Simmons email)
 - Summary
 - Educational Background
 - Experience
 - How you want to connect with the Simmons Community in the **“Offer Help”** and **“Offer Mentoring”** categories

Pro Tip: With a completed profile, you will have better mentoring matches!

Build Your Simmons Network Community

- Visit your **Feed** to share and hear about news from the Simmons Community
- Find and develop mentoring relationships through the **Directory** and **Mentoring** tabs.
 - Filter by:
 - Location
 - Field of Study
 - Industry/Company/Job Function
- Explore a variety of open positions on the **Job Board**
- Post job and internship opportunities, and articles of interest with industry trends
- Join **Groups** to connect to members with shared academic, professional, and personal interests
- Explore and register for **Events** where you can meet Simmons alumnae/i and students in person
