Notice of Non-Discrimination

Chartered in 1899 and opened in 1902, Simmons College is first and foremost an academic community whose primary goals are to prepare women and men to be well informed, open-minded, and sensitive to values. To attain these goals, we seek to create an atmosphere within which students may learn to become actively engaged members of society and to develop the resources to lead rich personal lives. We hope to achieve these goals through an active and continuing exchange of ideas among students and faculty and the general College community.

To ensure that these goals are attained, Simmons has committed itself to the following principles: Simmons College supports the principle and spirit of equal employment opportunity for all persons, based on each individual's qualifications and fitness. In accordance with applicable law, the College administers its employment and personnel policies without regard to race, color, religion, disability, national origin, sex, sexual orientation, or veteran's status.

Simmons College administers its educational programs and activities in accordance with the requirements and implementing regulations of Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Title III of the Americans with Disabilities Act of 1990. Simmons College strives to ensure that all decisions concerning hiring and promotion of faculty and staff or the educational process of students are based on considerations appropriate to an academic institution and not on factors such as race, color, sex, sexual orientation, religion, age, national origin, disability, or veteran's status.

Furthermore, Simmons College is committed to creating an atmosphere within which the diversity of its members' individual roles meets with understanding, respect, and encouragement, and where discrimination and harassment by any member of the faculty, staff, or student body against any other will be condemned and redressed. The College does not tolerate sexual harassment of employees or students.

Complaints of discrimination or harassment should be addressed to the director of human resources or the applicable dean for appropriate action. Complaints or inquiries concerning the College's policies and compliance with applicable laws, statutes, and regulations may also be directed to the College president's office, Room C-202, 617.521.2073. A complaint should contain the name and address of the grievant and a brief description of the action alleged to be prohibited by law. A complaint should be filed with the appropriate office within sixty days after the grievant becomes aware of the alleged violation. The president or appropriate college officer will conduct an investigation and issue a written decision on the complaint, ordinarily within forty-five days.

Grievance Procedure

A written complaint alleging violation of the federal sex and handicap discrimination regulations (34 C.F.R. Part 106 and 45 C.F.R. Part 86, implementing Title IX; 34 C.F.R. Part 104 and 45 C.F.R. Part 84, implementing Section 504 of the Rehabilitation Act; and 45 C.F.R. Part 83, implementing Section 855 of the Public Health Service Act) may be filed with the College by any student, employee, or other aggrieved person. Complaints under this procedure will not be processed from applicants for employment or admission. A College employee's allegation that he or she has been subjected to discrimination prohibited by the regulations will be processed under the relevant employee grievance procedure.

A complaint should contain the name and address of the grievant and a brief description of the action alleged to be prohibited by law. A complaint should be filed with the appropriate office within sixty days after the grievant becomes aware of the alleged violation. The president or appropriate college officer will conduct an investigation and issue a written decision on the complaint, ordinarily within forty-five days.

General Information

Simmons College is a private, non-sectarian, four-year college for women with graduate schools and programs for men and women. Simmons College is accredited by the New England Association of Schools and Colleges, the American Chemical Society, the American Library Association, the American Physical Therapy Association, the Council on Social Work Education, the Interstate Certification Compact, and the National League for Nursing and is approved by the American Dietetic Association. All requests for application forms or for information should be addressed to the appropriate program listed on the inside front cover of this catalog. Statements in the Simmons College catalogs should be taken as the College's current determination of courses, programs, tuition, and fees as presently established. Admission to specific courses and programs will be dependent upon qualifications of students and the availability of instruction. Simmons College reserves the right to change its courses, programs, tuition, and fees subsequent to the publication of this catalog.
