

SIMMONS

Admitted Student Checklist

1. Submit your deposit!

The only way to secure your space at Simmons is by depositing. You may send in a check by mail to The Office of Undergraduate Admission, 300 The Fenway, Boston, MA 02115 or you can deposit through our [secure online form](#).

2. Join the Facebook Class of 2016 page

The [Facebook Class of 2016](#) page is a great way to meet your fellow classmates, share information, and maybe even find a roommate!

3. Check your Simmons email account

You should be checking your Simmons email account regularly throughout the summer because all official e-mails will go to your Simmons e-mail account. You will receive your username and password in your deposit packet. If you do not have this, you can call the Simmons Help Desk (617-521-2222) and they will provide you with this information. Note: You will need to provide your Simmons ID number when you call. You can access your email at my.simmons.edu.

4. Register for Summer Orientation

There are two different orientation sessions. Dates are to be announced. During orientation you will meet with your advisor, register for classes, meet other admitted students, and learn important information about attending Simmons! While it's not mandatory, it is HIGHLY recommended that you [attend Summer Orientation](#).

5. Submit your housing application

Housing assignments will be emailed to your Simmons account throughout the summer, beginning in mid-July. More information about the housing options can be found on the [Residence Life Website](#). *Please note that the Office of Residence Life will not be able to consider your residence application until the admission office has received your deposit.*

6. Schedule a complete physical with your doctor

It is important to see your doctor before attending Simmons so that you can fill out your health center forms and make sure that you have all of the required vaccinations. You may [download the forms](#) and send these to the Simmons Health Center, 94 Pilgrim Road, Boston, MA, 02115 or by fax: 617-521-3467.

7. Take online placement tests (optional)

The Center for Academic Achievement offers online placement tests for chemistry, French, and Spanish. The chemistry placement test is only for students who plan to take a chemistry course either as part of her major, or to fulfill a science requirement. All students must take a language placement test. This can be taken at orientation or online. Please note that only French and Spanish placement tests are offered online at the moment. [Learn more about placement tests and access them online.](#)

8. Order a fall 2012 semester T-pass

One semester's worth of monthly MBTA passes may be ordered through the Office of Student Leadership and Activities at MCB-W002. Through this program, students receive four monthly passes at an 11% discount from the normal MBTA cost. [You can download an order form or order directly online.](#)

9. Get ready for Fall Orientation and Move-in Day!

Move-in Day and the first day of Fall Orientation is September 2nd. Need help with your packing list? We've got you covered. Click here to see [a list of suggested items to bring.](#)

Good luck Class of 2016!
