### Simmons College Coaching Staff:

**Head Coach Tony Price** will enter his 9<sup>th</sup> season this fall leading the Sharks of Simmons College. He has helped position Simmons as a competitive team throughout New England. A quite accomplished player in his own right, he was an impact player at Worcester State College where he scored over 1,300 points in just three seasons. Price was also a 3-time MVP. He has taught, coached and promoted the game of basketball both in the states and abroad. During Coach Price's tenure, the Sharks have finished in the top 8 out of 13 teams in the conference the last 4 years. He has coached 3 all-conference players, 1 All New England Player, and 4 of his athletes has traveled abroad competing with USA College All Star teams.

Coach Price will be accompanied by Assistant Coaches, Kate Vhalakis, Shannon Clark and Danielle Gravely and the Simmons Basketball players.

### The Leadership Connection:

At Simmons we believe in the importance of leadership and student development. We also believe sports play an important role in students' lives as well as in teaching leadership skills. Participation in sports develops the abilities to work within teams, meet goals, manage setbacks, accept feedback and be flexible. Through sports activities, students practice the skills of leadership first hand.

At the Simmons Basketball School, we are committed to weaving sports and leadership together. Our goal is to teach you how to transfer leadership skills from the playing field into life!
