

Group 3 (Facilitator Tom Clareson)

Core competencies

Publishing areas/arenas—new voices

- Lack of curriculum to address core competencies
- What we know are these competencies from today forward
- Intellectual property
- Look at new future without demarcations
 - Organization
 - Access (Finding Aids)
 - Managing Collections
 - Assessing
- Managing Access
 - Know organizational structure, funding structures
- Need cost studies/analysis
- Need MBA as second degree? (not-for-profit management)
- Need Management of other formats: emerging formats but also audio, film, photo, media
- Need equal grounding in all information formats in first year (move from museum to libraries to archives)—applicable across institution types
- Information Technology (IT)—bring in constantly; bring in refresher courses
- Role of IT in managing collections
- Be able to evaluate education needs throughout career
- Assessment of use of tools; who you are serving (think of end user)
