

The Margaret Bush Scholarship is Simmons GSLIS's way to honor Professor Bush's distinguished career and service to the school and profession, and her 25 years of teaching for Simmons. Since taking a position at Simmons as assistant professor in 1976, Professor Bush has made a tremendous impact on faculty, students, and the field of children's literature and library services. Throughout her tenure as a professor, she has been a tireless advocate for children's libraries. This fund formally acknowledges her significant contributions, as she has brought both local and national recognition to Simmons, GSLIS, and the children's library profession.

By helping to establish this scholarship, you can assist GSLIS students and by extension children and young adults – the very constituency which Professor Bush is so proud of, and to which she is so dedicated. Gifts may be made out to Simmons College and sent to Michele V. Cloonan, GSLIS, Simmons College, 300 The Fenway, Boston, MA, 02115. On the subject line, specify the Margaret Bush Scholarship.
