

Susan Esper

Partner

Deloitte & Touche, LLP

Susan is a Partner in the Financial Services Industry Practice in the New England Practice of Deloitte & Touche LLP and has over 16 years of public accounting experience. She has specialized in the financial services industry throughout most of her career, with primary focus on investment management clients. Susan currently serves as an Audit Partner on a number of Deloitte's largest investment management accounts with responsibility for oversight of client service coordination and delivery. In this role, she is responsible for the planning and execution of the mutual fund audit process, as well as all related internal control engagements and compliance with industry regulation.

In addition to her client service responsibilities, in 2004 Susan assumed the leadership role in the New England Practice for Deloitte's Women's Initiative Network ("WIN"). Established in 1993, this national initiative focuses on the development of its talented women professionals and identifies opportunities for them as future leaders within the Firm. The Initiative supports the Firm in its goal to train, develop and mentor professionals at all levels, regardless of gender, and create an environment where career success can be achieved.
