

**WIN \$10,000
TO BUILD YOUR
ENTREPRENEURIAL VENTURE**

Prizes

A total of \$10,000 will be awarded in prize money. The distribution of the awards among the finalists is the decision of the judges based on their assessment of the award criteria.

The prizes will be awarded as a cash amount. In the case of a business plan submitted by a team, the amount will be divided equally among all the SOM alumna members. In the highly unlikely event that the judges believe no business plan is of acceptable quality, a prize will not be awarded. A timeline for distribution of the prize money will be determined by the winning entrepreneur and the Chair of the Entrepreneurship Program, given reasonable milestones of the business.
