(3 cr) Advanced Practice, 424	(3 cr) Elective (Clinical Practice)	
(3 cr) Elective	(3 cr) Evaluation, 509 <sup>7</sup>	
		Total = 66 credits <sup>8</sup>

<sup>1</sup> Research, 441 is offered in fall, spring and summer terms. It must be completed prior to enrollment in Evaluation, 509.

<sup>2</sup> Racism, 409 is offered fall, spring and summer terms and should be complete by the end of year II before advanced coursework commences.

<sup>3</sup> Introduction to Social with Groups, SW 577, is required of all students starting on or after Summer Session II, 2008. SW577 should be taken concurrently with SW 446 in fall or spring semesters. Students whose placements extend into summer term or with special permission may register for SW 577 during summer term; however, there is limited summer course availability. With special permission, SW 577 can be taken concurrently with SW 424 (Advanced Clinical Practice).

<sup>4</sup> Social Action Elective can be taken any semester after both semesters of Social Policy, 401 are completed.

<sup>5</sup> Assessment and Diagnosis, 414 can be taken in the summer or fall terms after completion of SW Practice, 421.

<sup>6</sup> Electives:

Students take four (4) electives. Of these four, one elective must be a Clinical Practice elective taken concurrently with the spring semester of Field Education II, 447. One elective must fulfill the social action requirement.

Students who entered on or before January 2008 are required to complete 5 electives. One elective must be a Clinical Practice elective taken concurrently with the spring semester of Field Education II, 447 and one elective must fulfill the social action requirement. These students are *not* required to take Intro to SW with Groups, 577 though they may take it as an elective.

<sup>7</sup> Students are assigned to either fall or spring term Evaluation in SW practice, 509.

<sup>8</sup> 66 credits are required for graduation. *Exception:* Students who began and completed 2 semesters of Field Education I, 446, during or prior to academic year 2006-2007 need a total of 65 credits to complete graduation requirements.
