Please note that the Accelerated 16-Month M.S.W. program does not apply to specialized M.S.W. programs such as the School Social Work Certificate Program, Urban Leadership Certificate Program, or Health Care Certificate Program, which need to be completed either full-time or part-time in 24, 36 or 48 months.

Please also note that the alternative accelerated schedule which includes a summer semester of field education will somewhat limit the advanced clinical year field placement choices.
