

**About the group:**

**The Afro-Semitic Experience** is a Cross-Cultural band that delivers a positive and meaningful musical message about Black-Jewish relations. It is an ensemble dedicated to preserving, promoting and expanding the rich cultural and musical heritage of the Jewish and African diaspora. This is a group that is as comfortable playing a freylakh as they are swinging a blues, that knows how to playing either a bulgar or some funk. Multi-cultural soul.
