Simmons UNIVERSITY

B.S. in Information Technology & M.S. in Library and Information Science
3+1 Program
Academic Planning Worksheet
2018-2019 Catalog
EVEN YEAR- Fall Start

Notes

- This planning worksheet describes the fall start for even dated years. If you are beginning during an odd year, please see that worksheet. If you are beginning in the spring or summer, please consult with the academic department.

- This check sheet represents a sample 3+1 curriculum. Simmons requires that all undergraduates complete 128 credits of coursework to graduate. Completing the Information Technology degree in 3 years therefore requires that some credits be comprised of AP credits, extra courses each semester and/or summer courses before the end of Year 3. The department will work with you individually to determine the best course sequence for your needs.

- KCAs (Key Content Areas), the Foreign language and the Qualitative Literacy (QL) courses are part of the undergraduate general education requirement from a list. Students will also have to frame three courses as an integrative seminar, e.g. CS 333, a KCA and an elective, integrated as courses to create a social justice campaign. See "Simmons PLAN & Graduation Requirements" worksheet for all-college requirements.

- Suggested electives (UG courses & LIS electives) may vary depending on student's interests.

Course Requirements by Year

Year One

Course #	Course Title	Credits	Completed
Fall- EVEN			
BOS 101	The Boston Course	4	
SIM 101	Simmons Explore	2	
CS 112	Introduction to Computer Science KCA: Scientific Inquiry (SCI)	4	
Language		4	
Spring- ODD			
LDR Course	The Leadership Course	4
