English Major Core

Majors will complete a core of the following courses. ENGL 199 is an introduction to the major and is open to all students thinking about majoring in English. All potential majors are urged to take it no later than the beginning of their sophomore year. While ENGL 199 and 200 constitute a sequence and must be taken in that order, this sequence is not necessarily consecutive. ENGL 199 is a class appropriate for incoming first-year students, while ENGL 200 is an advanced course in critical theory, open only to students with sophomore standing and above who have taken ENGL 199. ENGL 199 is the prerequisite to all 300-level literature classes offered by this department.
