SUMMER 2019 GRADUATE STUDIES NON-DEGREE REGISTRATION

Dear Prospective Student:

Thank you for your interest in enrolling as a non-degree graduate student at Simmons. This registration packet contains all the materials you will need to enroll.

As a non-degree student, you may enroll in up to two graduate courses (six to eight credits) before applying to a degree program. The information in this packet should answer any questions you may have about registration, tuition, billing, and more. Please do not hesitate to contact the admission staff at 617-521-2915 or email gsa@simmons.edu if you have further questions. You may also visit the non-degree website at simmons.edu/nondegree.

Thank you again for your interest in Simmons.

Sincerely,

Patricia Flaherty
Director, Graduate Studies Admission

SUMMER 2019 GRADUATE STUDIES NON-DEGREE REGISTRATION

Non-Degree Policies

Enrollment in certain non-degree courses may require the consent of the program director. Non-degree students may enroll in up to eight credits (typically two graduate courses) before being formally admitted to a degree program. If you take the courses in separate semesters, you must earn a grade of B (3.0) or better to enroll in the second course.

Semester Dates

The official Summer semester runs from May 20 to August 20; however, there are several start dates throughout the semester. In addition, courses are offered in varied formats throughout the term. Certain disciplines and courses may begin before the formal start of the semester and end after the formal end date. For specific course details including course titles and up-to-date meeting times, check the attached listing or courses.simmons.edu/summer for full course descriptions.

Applying to a Degree Program

Non-degree students may enroll in up to two graduate courses before being formally admitted to a degree program. If you are planning to apply to a degree program, verify with your program director that the course you choose will apply towards your intended degree. Non-degree students must earn a grade of B (3.0) or better in each course to be considered for admission to a degree program. However, successful completion of non-degree classes does not guarantee acceptance into a program.

Registration Procedure

Choose your class from the attached non-degree courses schedule and return the attached registration form to the Office of Graduate Studies Admission. Do NOT mail or fax your non-degree form directly to the Office of the Registrar, as this will delay your registration. Return your completed form by email to gsa@simmons.edu or by mail to:

SUMMER 2019 GRADUATE STUDIES NON-DEGREE REGISTRATION

Tuition General Refund Policy

Refunds are determined by the date that appears on the official add/drop form filed with the Registrar. (Non-attendance in a class DOES NOT constitute withdrawal from that class). If you should completely withdraw from all coursework after classes begin, you may still be accountable for a portion of tuition and other fees. For the most up-to-date policy on course refunds, please refer to the Student Accounts website simmons.edu/admission-and-financial-aid/student-financial-services/student-accounts/course-refunds.

Tuition Payments

Once registered, you will receive a bill from Student Accounts. Acceptable forms of payment include personal checks, traveler's checks, bank checks, money orders, wire transfers, and credit cards (American Express, Discover, Visa, and MasterCard). Simmons also provides the convenience of making quick and easy online payments towards your student account. This option is available to you through our online Student Account Center. All payments must be made in U.S. currency. You will not be granted a student ID card until your bill is settled. For further information or to arrange for payment, contact the Office of Student Accounts at 617-521-2001 or simmons.edu/admission-and-financial-aid/student-financial-services/student-accounts.

Financial Aid

Non-degree students are not eligible for federal financial aid through Simmons, but may apply for external loans such as the following:

Sallie Mae Career Training Loan
877-279-7172
salliemae.com/student-loans/career-training-smart-option-student-loan

Parking

To be eligible to park on campus, students must be registered for classes during the current academic semester and have a Simmons ID card. Accessible parking for students with disabilities is available. For information on parking options, please visit the parking website at <http://www.simmons.edu/about-simmons/directions-parking/parking/students-faculty-staff-parking>.

Registration Information

Your registration will not be processed without a signature, date, and relevant course information below.

At Simmons, you may enroll in up to two graduate courses as a non-degree student before being formally admitted to a degree program. To enroll in an additional course, or to be considered for admission to a degree program, non-degree students must earn a grade of B (3.0) or better in each course. Satisfactory performance as a non-degree student is a prerequisite to admission, but does not guarantee it. Courses successfully taken by students may later be counted towards the degree, if admitted. We strongly recommend that students who may be applying courses toward a degree program talk with the appropriate program director prior to registering.

You will be registered in the course(s) indicated below on a space-available basis and will be notified when your form has been processed. Please check the Simmons website for tuition information or contact the Office of Student Financial Services at 617-521-2001 for further information.

I understand my rights and responsibilities as a non-degree student and agree to abide by Simmons University policy with regard to registration, payment, and enrollment in additional graduate courses.
