

Honors Curriculum Updated Summer 2019

****Please note that this curriculum is the same for non-nursing and nursing majors, with one exception: nursing majors will take a Boston course in the first year and their LC in the second year.****

Class of 2023

Year One

- SIM 101: The Simmons Course: Explore (Honors only, Fall, 2 credits)
- Learning Community (Fall, 8 credits)
- Honors Leadership Course (Spring, 4 credits)
- Honors 190: “Talking in the 21st Century” (Spring, 1 credit)

Year Two

- SIM 201: The Simmons Course: Experience (Fall or Spring, 1 credit)
- Honors 290: Honors Global Scholars (Fall or Spring, no credit, online)

Year Three

- SIM 301: The Simmons Course: Excel (Fall or Spring, 1 credit, online)
- 3D – Design Across Diverse Disciplines
 - Third and fourth years, 12 credits
 - Two of the three 3D courses must be at the 200 level or above

Year Four

- Honors Capstone Project
 - HON 395 (Fall, no credit, online)

Additionally, four of the five required Key Content Areas (GC, SCI, SH, ALA, or QL) must be completed through an Honors-designated (“Honorific”) course.
