

Notes

- School of Business Minors include: Accounting, Business, Finance, Health Care Management, Leadership for Social Impact, Marketing and Retail Management. PR & Marketing Communication is an interdisciplinary minor with the Department of Communications.
- Business minors provide depth in a specific functional discipline when taken with a major, or they serve as a complement to majors outside of Business. All minors consist of five courses.
- With the exception of the minor in Business, students majoring in one of the five BSBA majors may take any minor. Any major and minor combination may double-count two core courses, but must have three unique electives.
