<b>SOCI 350</b>	<b>Independent Study</b>	<b>4</b>
<b>SOCI 355</b>	<b>Thesis</b>	<b>4</b>

Students may choose to complete an internship to fulfill the capstone requirement. Internships are completed in the spring semester of the student's senior year. In the fall semester before the internship, each student works with the internship supervisor to design an 8-credit internship plan for the following semester. Students completing double majors who wish to do an internship will complete their internship through one of their departments.

Portfolio: All students completing their capstone through internships will also submit a portfolio to fulfill their requirements towards the major.

A portfolio includes:

- A paper from their first or second year of undergraduate study
- An outstanding paper, preferably from a sociology course taken in their third or fourth year
- A 5-page summative statement in which students reflect on majoring in sociology
- Students present their portfolios publicly during the internship class.
