Once you have determined your billed costs you may decide:

- To decrease your federal direct unsubsidized loan; OR
- You need to apply for an additional loan to help cover billed costs and/or living expenses.

To estimate additional borrowing needs:

1. Calculate out of pocket billed costs (from other page)
2. Determine unmet living and personal expenses
3. Add up "total estimated costs" to determine maximum additional loan eligibility

Example:		
Full Time MS.LIS (9 credits per semester)		
	Fall	Spring
Out of pocket payment (from other side)	\$ 933	\$ 933
Living expenses	\$ 5,972	\$ 5,972
Personal Expenses/Books	\$ 2,260	\$ 2,260
Transportation	\$ 425	\$ 425
Total estimated additional borrowing limits per term	\$ 9,590	\$ 9,590
Maximum additional loan eligibility	\$19,180	

These are standard estimates for living & personal expenses determined by the institution. You are eligible to borrow loans to cover these expenses if you need to.

Before Making Your Financing Decisions

- Figure out a **budget** before you borrow. Often times, without a budget, students overestimate what they'll need and borrow more than necessary.
- Utilize **payment plans** for help with cash flow. Payment plans allow you to spread your billed costs over the year in monthly payments. Find more information on the billing & payment section at simmons.edu/sfs/gr
- If you decide to borrow additional money, remember that there are different types of educational loans. Research the **interest rate**, **loan fees**, and **repayment schedules** of each loan so you can make an informed decision.
- Most loans will **accrue interest** while you're in school. Consider paying the interest while you're attending school to reduce the payments that will be due after you graduate.
- If borrowing more than the unsubsidized loan, **limit to one PLUS or Private loan** for the entire year.
