Catherine L. Dumas

e-mail: catherine.dumas2@simmons.edu

EDUCATION

- 2019 **Ph.D. in Information Science**, University at Albany, NY
Knowledge Organization and Management (Primary Specialization)
Information in Organizational Environments (Secondary Specialization)
- Dissertation:** “The Dynamics of E-petitioning Behavior in *We the People: An Exploration of Online Mobilized Collective Action*”
- Dissertation Committee:** Teresa Harrison (Co-chair), S.S. Ravi (Co-chair),
Luis Luna-Reyes
- 2011 **MS in Information Studies**, University at Albany, NY
- 2008 **BA in English**, The College of Saint Rose, Albany, NY

TEACHING EXPERIENCE

- 9/2018-Present **Assistant Professor**, School of Library & Information Science, College of Organizational, Computational, & Information Sciences, Simmons University
- Introduction to Programming (LIS 485)
 - Technology for Information Professionals (LIS 488)
 - Systems Analysis in Information Services/Systems Analysis & Design (LIS 486/CS 343)
 - Independent Study: Python for Text Mining (LIS 500): Student: Adam Mazel (Spring 2019)
 - Data Interoperability (LIS 487/CS 214)
 - Independent Study: Leveraging TMS for the Harvard Collection of Historical Scientific Instruments (LIS 500): Student: Elizabeth Casner (Summer 2021)
- 8/2012-8/2018 **Instructor**, Informatics Department, College of Engineering & Applied Sciences, University at Albany, State University of New York

- Senior Seminar: Topics in Informatics (Face-to-Face, Online & Blended)
- Current Topics in Social Media (Face-to-Face & Blended)
- Programming for Problem Solving (Online)
- Introduction to Computing and Information (Face-to-Face & Online)
- Introduction to Web Development (Online)
- Contributed to the design of the Informatics Department's proposed Bachelor of Science Program

AWARDS/HONORS

- 2017 **Best Research Paper Award** for “E-Petitioning and Online Media: The Case of #BringBackOurGirls”. 18th Annual International Conference on Digital Government Research, Staten Island, New York
- 2015 **Best Poster Award** for “E-petitioning: Exploring Citizen's Contributions to the Policy Making Process”. 16th Annual International Conference on Digital Government Research, Phoenix Arizona
- 2012 Kathy Turek **Women and Technology, Initiatives for Women Award**, University at Albany, State University of New York
- 2012 -2013 **New Leaders Award**, Association for Information Science & Technology, Mentor: Dr. Rong Tang
- 2012 **Best Poster Award** for "Social Network Analysis: Examining Co-authorship and Acquaintanceship of a Multidisciplinary College in a Research University (CCI - SUNY Albany)" with Jayadevan Vijayan, Maleq Kahn & Chris Kuhlman. New Trends in Computing and Informatics Research, The University at Albany, State University of New York
- 2011 **Excellence in Service** to the College and/or University Community Award College of Computing and Information, University at Albany, State University of New York

GRANTS/FUNDING

- 2021 Increasing trust in VR through personalized behavioral recommender system - BeCool PI: **Catherine Dumas**, Co-PI's: Lukasz Porwol, Zona Kostic, and Nili Steinfeld (proposal submitted to Facebook, &75,000)
- 2021 AI & VR driven Next-Generation Online Communication NGI (Next Generation Internet) (\$15,000)
- 2021 LeapVis: Enabling a Remote Data Visualization Gesture Interface Usability Study During COVID-19, Co-PI's: **Catherine Dumas**, Sarah Pratt, COCIS Innovation Fund - Awarded (\$1784.73)
- 2021 Creating an infrastructure for innovative research and collaboration: Information Science & Technology Lab: Co-PI's: Naresh Agarwal, Rong Tang, Colin Rhinesmith, **Catherine Dumas**, Rachel Williams, Kyong Eun Oh, and Danielle Pollock, COCIS Innovation Fund - Awarded November, 2020 (\$5000)
- 2020 XR Remote Lecturing and Training Study, COCIS Innovation Fund, PI **Catherine Dumas** - Awarded (\$5000)
- 2016 Funding to design and teach a blended (online/face-to-face) version of the Senior Seminar in Informatics course as part of a grant awarded to the

	Institute for Teaching, Learning and Academic Leadership at the University at Albany, \$1500
2015	University Auxiliary Services program grant for ASIS&T Student Chapter Open Source Festival, \$500.00
2014	University Auxiliary Services program grant for ASIS&T Student Chapter Open Source Festival, \$250.00
2013	University Auxiliary Services program grant for ASIS&T Student Chapter Open Source Festival, \$250.00
2012	University Auxiliary Services program grant for ASIS&T Student Chapter Open Source Festival, \$250.00
2012	Association for Information Science & Technology New Leaders Award, \$1500
2012	Kathy Turek Women and Technology Award, Initiatives for Women to support research, \$500.00
2012	University Auxiliary Services program grant for ASIS&T Student Chapter Technical Workshop Series, \$300.00
2012	College of Computing & Informatics, State University of New York at Albany for ASIS&T Student Chapter Open Source Festival, \$1300
2011	University Auxiliary Services program grant for ASIS&T Student Chapter Open Source Festival, \$250.00

DOCTORAL COLLOQUIUM/SYMPOSIUM

16th Annual International Conference on Digital Government Research, Phoenix Arizona, May 27-30, 2015

Association for Information Science & Technology Annual Meeting, Wash. DC, October 27-November 2, 2017

RESEARCH EXPERIENCE

5/2013-6/2019 **Data Analyst**, Project Petition, working with Dr. Teresa Harrison, Communication Department, Dr. S.S. Ravi and Dr. Feng Chen, Computer Science Department, Dr. Ozlem Uzuner, Information Studies, and several other graduate students, University at Albany, State University of New York

- Worked with large data sets of petition signatures and petitions from online petition websites
- Explored petition information diffusion using Twitter data
- Analyzed the data using different research techniques namely, data mining and social network analysis
- Managed database of e-petition data

5/2013-8/2013 **Software Evaluator**, Kitware Inc., Clifton Park, NY

- Reviewed third party code to evaluate and test software
- Trained with MUMPS, Python, CMake, Administration tools for Windows and Linux
- Researched tools for semantic web healthcare EHR and helped write report to be used for funding proposal

1/2011-8/2011 **Research Assistant**, Human Computer Interaction Lab, under the direction of Dr. Xiaojun Yuan, College of Computing and Information, University at Albany

- Recruited and scheduled 48 subjects to participate in user study project "Investigating People's Search Behavior on Medical-Related Tasks."
- Ran all 48 experiments, collected the data through logging software and other instruments, and observed the users interaction during the search sessions.
- Conducted and transcribed 48 exit interviews for further analysis.

9/2010-8/2012 **Graduate Research Assistant**, Human Computer Interaction Lab, for Dr. Xiaojun Yuan, College of Computing and Information, University at Albany

- Designed and conducted a Wizard-of-Oz study of spoken language recognition interface to investigate the efficacy and usability of spoken and gestural interaction with information systems.
- Designed numerous factual, interpretive, and exploratory tasks that were used in "Speak To Me" experiments to test information retrieval systems
- Conducted experiments with 25 pilots; Conducted exit interviews with 25 pilot subjects.
- Evaluated prototype interface/systems, employed heuristic evaluation and cognitive walkthrough methods.
- Conducted research and wrote literature reviews on several areas of research within the field of Human Computer Interaction.
- Conducted pilot studies for data collection in a project involving medical queries
- Created tutorials for prototype interfaces for subjects in experiment.

2/2010-7/2010 **Special Projects Coordinator**, Internship, New York Library Association, Guilderland, NY

- Research assistant for executive director on several projects
- Collected and organized information in company's databases
- Provided content management on various company websites

- Created lists of contact data to be used in mailings
- Edited publications, programs, and other circulating materials
- Collaborated with staff in facilitating Lobby Day, 2010, Empire State Book Festival, and NYS Writers Hall of Fame Gala

RESEARCH INTERESTS

Online collective action, analyzing e-petitioning behavior, analyzing social media content, social network analysis in online communities and organizations, information diffusion, social informatics, human computer interaction, usability testing, open source, extended reality.

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript
- **Databases:** MySQL, Access
- **Programming:** R, Python
- **Version Control Systems:** Git
- **Statistical Tools:** R, SPSS
- **Network Analysis Tools:** R, Gephi, UCINET, CINET, NodeXL
- **Usability Testing Tools:** TechSmithMorae
- **Online Learning Development Tools:** Camtasia, Blackboard, Moodle
- **Operating Systems:** Windows, Mac, Linux
