

COVID-19 Weekly Testing Required

All students who participate in face-to-face learning are required to be tested for COVID-19 once per week

- Testing takes place in the Linda K. Paresky Conference Center, 3rd floor of the MCB (A Building).
- Schedule your test via CoVerified (app or website).

Positive COVID-19 Cases

- **If you test positive through the campus Health Center**, you will be notified by the Health Center with instructions for isolation. Your faculty will also be notified.
- **If you test positive at an outside testing site**, please notify the Health Center immediately.
- **If a student tests positive in one of your courses** your faculty member will be notified and there will be a notification sent to everyone in the class with details for how to stay healthy. If you have a medical or religious exemption on file, you will receive a direct contact from the Health Center.

Masks Required Indoors

Masks are required for all individuals indoors

- Masks may be removed in areas such as Bartol, The Fens, Common Grounds, and residence campus kitchens and lounges, when actively eating or drinking or when alone in a private office.

COVID Resources & Communications

**COVID-19 updates for students will be sent via
“The Anchor” newsletter**
