 Fenced-off construction area

 Walking paths into Academic Quad

 Building Entrance

 Emergency Telephones

 Limited access to Lefavour Hall and parts of the Main College Building

As part of the One Simmons Initiative and construction, the buildings on the Academic Campus have all been assigned letters, and the spaces inside have been re-numbered (e.g., A101, B213, etc.). The distinction between east, west, and center wings in the Main College Building have been removed and the numbering now runs across the entire building.
