Accepting/Declining Your Award:
We assume that you will accept your package as offered. If you wish to decline or reduce a portion of the funds awarded, please email us at sfs@simmons.edu telling us what portion you wish to decline. Please include your name and student ID number in your request.

Student Loan Borrowing:
First-time loan borrowers are required to complete entrance loan counseling and a master promissory note. If you choose to borrow a federal student loan, we will communicate with you prior to the Fall semester to guide you through these requirements.

Maintaining Your Award:
Your award is based on the expectation that you will be enrolled full-time. Changes in enrollment status will affect your award.
