# ACADEMIC REGALIA

In today's academic procession, the academic mace, carried by the Chief Marshal, is the symbol of the power of colleges and universities to confer degrees to candidates who have earned the privilege of the degree. The Simmons faculty, Board of Trustees, graduating students, and honorary degree recipients wear a variety of gowns, hoods, and caps. Academic regalia dates back to the earliest days of the world's universities in the fourteenth century.

The gown for the bachelor's degree is blue, has pointed sleeves, and is designed to be worn closed. The master's degree gown has oblong sleeves and may be worn open or closed. The doctoral degree gown has bell-shaped sleeves and may be worn open or closed. Doctoral gowns often correspond with the official color or colors of the college or university that conferred the degree.

Today's master's degree recipients will be wearing the hood appropriate to that degree.

Arts, Letters, Humanities — White

Business Administration — Beige

Education — Light Blue

Fine Arts — Brown

Health Sciences — Hunter Green

Library Science — Lemon

Nursing — Apricot

Physical Therapy — Teal

Public Health — Salmon Pink

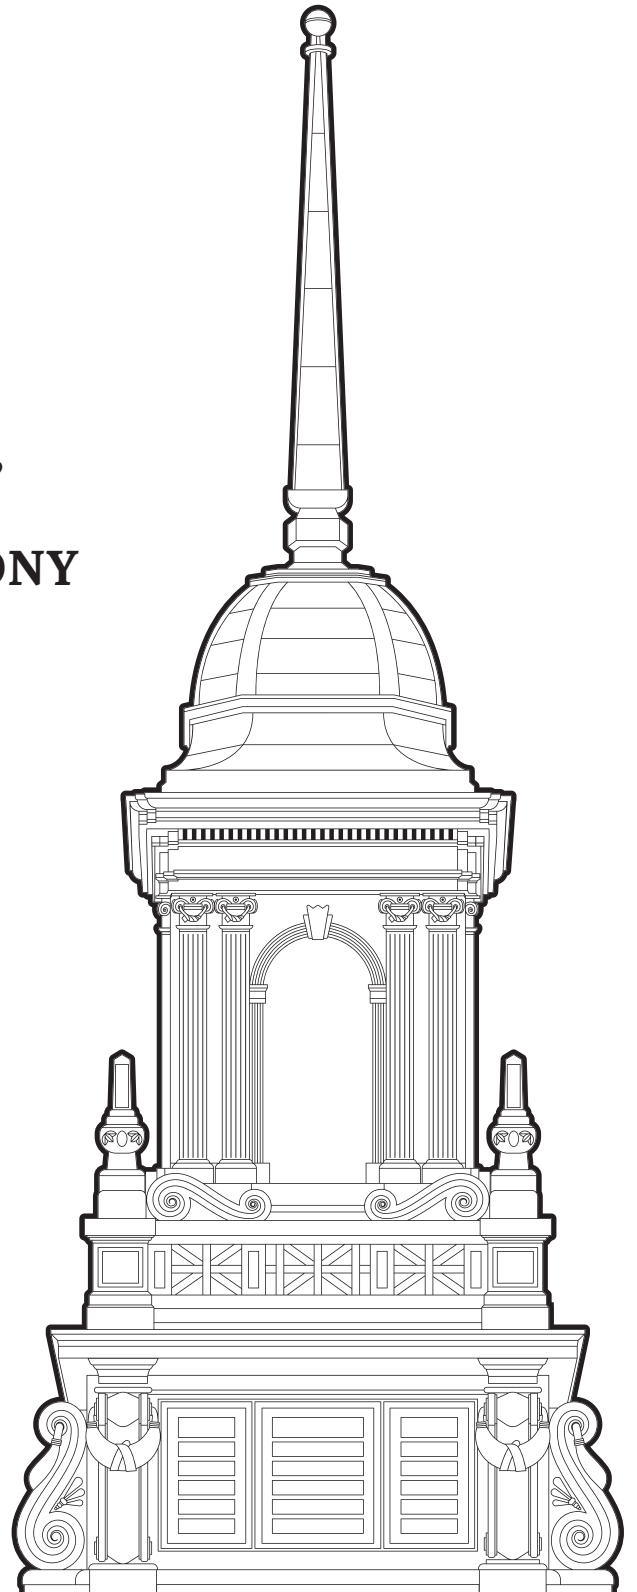

Public Policy — Peacock Blue

Social Work — Citron

Caps, often made from different materials, always match the color of the gown. Tassels are black; in some cases, however, doctoral caps are accompanied by gold tassels. At the Simmons Commencement, bachelor's degree recipients who are members of Academy, the University's academic honor society, wear blue and gold cords. Students wearing blue, white, and gold cords are Kotzen Scholars. Bachelor's degree recipients who have achieved the academic grade point average for Latin Honors are wearing the following cords: cum laude, red; magna cum laude, silver; and summa cum laude, gold. Bachelor's degree recipients who have completed the four-year Honors program wear blue and white cords.
