EDUCATION

2010   Ph.D., Department of Information Systems
            School of Computing, National University of Singapore
            Dissertation
                    Information Seeking Behavior and Context: Theoretical Frameworks
                    and an Empirical Study of Source Use

1999   B.A.Sc. (Computer Engineering) Honors
            Nanyang Technological University, Singapore

EMPLOYMENT

Academic Experience

2009 -   School of Library and Information Science, Simmons University
            Professor, 2022 –
            Associate Professor, 2015-2022
            Assistant Professor, 2009-2015
            Research Areas
                    Information Behavior, Knowledge Management
            Teaching Areas
                    Technology for Information Professionals, Theories of
                    Information Science, Knowledge Management, Web Dev. &
                    Information Architecture, Evaluation of Information Services
            Format
                    Face-to-face, online, blended

2004-2007   Department of Information Systems, School of Computing
              National University of Singapore
              Research Assistant, 2004-2006
              Teaching Assistant, 2007

Industry Experience

1997-2004   Software Industry experience, Singapore
                     GDC Technology Ltd, Digital Cinema Technology, 2003-2004
                     HeliXense Pte Ltd, BioInformatics, 2002
                     Innova Solutions, Customer Relationship/Telecom, 2001-2002
