

MSW ADMITTED STUDENT CHECKLIST

1) Connect With Us

Set up a personalized connection: observe a class, speak with faculty or current student, or connect with an admissions representative. We are happy to help you answer any final questions you have. Please feel free to set up an appointment by emailing ssw@simmons.edu.

2) Submit a FAFSA

Many MSW students fund their education with the help of student loans. To access federal loan programs, fill out a Free Application for Federal Student Aid (FAFSA) at studentaid.gov/sa/fafsa. We encourage you to review each loan type and to contact Student Financial Services (sfs@simmons.edu) to discuss which option is best for you.

3) Submit Tuition Deposit

Submit a \$300 deposit in your application portal. The deposit is non-refundable and will be applied to your first semester's tuition.

Once you pay your deposit, we will begin to send you new student information on course registration instructions, orientation, advising, and more.

4) Need Housing?

Check out the Simmons housing page (www.simmonsoffcampus.com) for resources and tips on living in Boston. You can also connect with fellow Simmons students on the Simmons Graduate Student Off-Campus Housing and Roommate Corner on Facebook to meet possible roommates and discover apartment listings.

Once You Have Submitted Your Deposit

1) Set Up Your Simmons Account and Password

Deposited students will receive an email with instructions on how to create a Simmons account. This account will be used for registration, billing, grades, and online coursework.

2) Register for Classes

You should receive some emails with information on how to register for your classes. Review this information carefully, check out the list of courses for the fall, and log in to view your registration date and time. If you have any questions, please email your academic advisor.

Orientation

Orientation is required for all entering students. Entering students are welcomed into the community by current students, faculty, alumni, and staff.

Information on orientation will be sent out by email soon. Please check both your Simmons and personal email for this information.

We look forward to welcoming you to campus.
