DEAR GRADUATES OF SIMMONS UNIVERSITY,

I am pleased to present you with this record of Simmons University Commencement 2023. This program and the accompanying digital bulletin include all University and academic unit honors and all awards for the graduates from July 2022 through the degrees conferred on May 19, 2023. Congratulations to our undergraduate Latin honors recipients, to the members of Academy, and to all of the undergraduate and graduate disciplinary honor society members. We applaud your academic achievements.

At our 2023 Commencement celebrations and ceremonies on May 15-18, we gathered on campus with proud Simmons bachelors, masters, and doctoral candidates. Today, at the MGM Music Hall with you and your families, we continue to celebrate and honor your hard work, strength, and perseverance. During this pivotal moment, I invite you to reflect on the transformational impact of your experiences at Simmons. Despite the challenges of these past few years, I am so optimistic about the future. I have witnessed your passion and your purpose, and I am excited about the opportunities that lie ahead. Now, more than ever, our world needs the everyday leadership that you will bring to your workplaces and your communities.

Your Simmons degree propels you forward with the leadership, skills, disciplinary knowledge, and a hard-won resilience that will enable you to carve out a career and a life's path with purpose and meaning. I cannot wait to see what you will accomplish in the days, weeks, and years ahead. Because when Simmons leads, the world works better. On behalf of the entire Simmons University community, I congratulate you and wish you well.

Sincerely,

A handwritten signature in black ink that reads "Lynn P. Wooten".

ACADEMIC REGALIA

In today's academic procession, the academic mace, carried by the Chief Marshal, is the symbol of the power of colleges and universities to confer degrees to candidates who have earned the privilege of the degree. The Simmons faculty, Board of Trustees, graduating students, and honorary degree recipients wear a variety of gowns, hoods, and caps. Academic regalia dates back to the earliest days of the world's universities in the fourteenth century.

The gown for the bachelor's degree is blue, has pointed sleeves, and is designed to be worn closed. The master's degree gown has oblong sleeves and may be worn open or closed. The doctoral degree gown has bell-shaped sleeves and may be worn open or closed. Doctoral gowns often correspond with the official color or colors of the college or university that conferred the degree.

Today's master's degree recipients will be wearing the hood appropriate to that degree.

- Arts, Letters, Humanities – White
- Business Administration – Beige
- Education – Light Blue
- Fine Arts – Brown
- Health Sciences – Hunter Green
- Library Science – Lemon
- Nursing – Apricot
- Physical Therapy – Teal
- Public Health – Salmon Pink
- Public Policy – Peacock Blue
- Social Work – Citron

Caps, often made from different materials, always match the color of the gown. Tassels are black; in some cases, however, doctoral caps are accompanied by gold tassels. At the Simmons Commencement, bachelor's degree recipients who are members of Academy, the University's academic honor society, wear blue and gold cords. Students wearing blue, white, and gold cords are Kotzen Scholars. Bachelor's degree recipients who have achieved the academic grade point average for Latin Honors are wearing the following cords: cum laude, red; magna cum laude, silver; and summa cum laude, gold. Bachelor's degree recipients who have completed the four-year Honors program wear blue and white cords.

This is a commencement program and not a legal document of the University and does not represent a complete and accurate list of 2023 graduates of Simmons University. It is a list of degree candidates invited to participate in the May 19, 2023 commencement ceremonies. Invitation to or participation in the ceremony does not indicate that any candidate has graduated or will graduate from Simmons.
