3. Saved searches can also be found under My Funding Opportunities, where you can sign up for funding alerts, as well as weekly emails with notifications about new related opportunities

Step 4: Find Potential COF Collaborators!

Collaborate with individuals across the COF campuses by searching for collaborators in one of two ways:

1. Funding Tab: from the opportunity page, find "Potential Collaborators" button on the right, and select either "from inside your institution" or "from outside your institution"
2. Profile Tab: search directly for the individual by name or topic/keyword to see individuals associated with a search.
