EDUCATION

Ph.D., Communication and Information   2008-2013
    Rutgers, the State University of New Jersey, New Brunswick, NJ
    Dissertation: *"The process of organizing personal information."*
    Advisor: Dr. Nicholas J. Belkin

M.A., Library and Information Science   2006-2008
    Yonsei University, Seoul, Korea
    Thesis: *"A study on the convenience in finding books according to classification*
            : Focused on the classifications in public libraries and bookstores."
    Advisor: Dr. Giyeong Kim

B.A., English Language and Literature & **B.A.**, Library and Information Science   2002-2006
    Yonsei University, Seoul, Korea
    Double major, Honors student

Yonsei University Exchange Student Program   Jan.-Dec. 2004
Saint Michael's College, Colchester, VT

EMPLOYMENT

Professor   2025-present
School of Library and Information Science
Simmons University, Boston, MA

Associate Professor   2019-2025
School of Library and Information Science
Simmons University, Boston, MA

Assistant Professor   2013-2019
School of Library and Information Science
Simmons University, Boston, MA

Teaching Assistant   2012-2013
School of Communication and Information
Rutgers, the State University of New Jersey, New Brunswick, NJ

Research Assistant 2011-2012
Center for Advanced Information Processing
Rutgers, the State University of New Jersey, New Brunswick, NJ

Research & Instruction Librarian 2009-2011
Rutgers University Libraries
Rutgers, the State University of New Jersey, New Brunswick, NJ

Teaching Assistant 2006-2007
Department of Library and Information Science
Yonsei University, Seoul, Korea

RESEARCH AREAS

Human Information Behavior
Personal Information Management
Information Organization

PUBLICATIONS AND PRESENTATIONS

Journal Articles (Peer-reviewed)

Oh, K. (2024). A comprehensive investigation of researchers' shared file management practices in cloud storage. *Human-Computer Interaction*. https://doi.org/10.1080/07370024.2024.2310551

Oh, K. (2023). Characteristics of collaborative research projects using cloud storage: Cross-disciplinary analysis. *GARI International Journal of Multidisciplinary Research*, *9*(4), 40-51.

Tang, R., & **Oh, K.** (2022). The impact of types of news on mobile news consumption behavior: A mixed method research. *Libri, 72*(2), 155-169. https://doi.org/10.1515/libri-2021-0071

Oh, K. (2021). Social aspects of personal information organization. *Journal of Documentation*, *77*(2), 558-575. https://doi.org/10.1108/JD-06-2020-0104

Tang, R., & **Oh, K.** (2020). University students' mobile news consumption activities and evaluative/affective reactions to political news during election campaigns: A diary study. *Journal of Information Science, 46*(4), 476-495. https://doi.org/10.1177/0165551519845855

*Oh, K., & Colón-Aguirre, M. (2019). A comparative study of perceptions and use of Google Scholar and academic library discovery systems. *College & Research Libraries, 80*(6), 876-891. https://doi.org/10.5860/crl.80.6.876
*Selected as an Article of Interest in the October 2019 issue in *The Informed Librarian Online*.
*Listed in the Journal's most popular articles.

Oh, K. (2019). Personal information organization in everyday life: Modeling the process. *Journal of Documentation, 75*(3), 667-691. https://doi.org/10.1108/JD-05-2018-0080

Oh, K., & Tang, R. (2018). How do university students receive, read, find, share, and store news? A survey research study on mobile news behavior. *Journal of Library & Information Studies, 16*(1), 1-21. https://jlis.lis.ntu.edu.tw/article/v16-1-1.pdf

Oh, K. (2017). Types of personal information categorization: Rigid, fuzzy, and flexible. *Journal of the Association for Information Science and Technology, 68*(6), 1491-1504. http://dx.doi.org/10.1002/asi.23787

Oh, K., Halpern, D., Chiang, J., Tremaine, M., Bemis, K., & Silver, D. (2011). Which properties in 3D visualizations cause comprehension difficulties? *Proceedings of the 74th American Society for Information Science and Technology (ASIS&T) Annual Meeting, USA, 48(1),* 1-4. http://dx.doi.org/10.1002/meet.2011.14504801345. (Poster)

Halpern, D., **Oh, K**., Chiang, J., Tremaine, M., Bemis, K., & Silver, D. (2011). The paradox of visualizations making information comprehensible. *Proceedings of the IEEE VisWeek 2011, USA,* 1-2. (Poster)

Kim, G., Lee, J., & **Oh, K.** (2008). An exploratory analysis of Korean public library statistics. *Proceedings of the 15th Korea Society for Information Management, Korea,* 111-116. (Paper)

Other Presentations (No proceedings)

Oh, K. (2024, March). Exploring researchers' shared file archiving practices for collaborative research projects using cloud storage. Presentation at the *2024 Northeast Chapter of the Association for Information Science and Technology (NEASIS&T) Annual Conference*. (Peer-reviewed)

Oh, K. (2023, November). Characteristics of collaborative research projects using cloud storage: Cross-disciplinary analysis. Presentation at the *International Conference on Library and Information Science*. (Peer-reviewed)

Oh, K. (2023, May). Understanding researchers' shared file organization practices in cloud storage for collaborative projects. Presentation at the *Libraries in the Digital Age (LIDA) International Biennial Conference*, Osijek, Croatia. (Peer-reviewed)

Oh, K. (2022, October). Understanding the challenges when researchers in different generations manage files together. *Personal Information Management (PIM) 2022 Workshop*, Pittsburgh, PA, 1-8. http://pimworkshop.org/2022/docs/Oh_PS.pdf (Peer-reviewed)

Oh, K. (2021, October). Teaching and learning metadata. Presentation at the *Dublin Core Metadata Initiative DCMI 2021 Annual Conference Member Forum*.

Tang, R., & **Oh, K.** (2017, October). University students' evaluative and affective reactions to inclusion/exclusion-related political news: A diary study. Presentation at the *17th Annual ASIS&T SIG-USE Research Symposium*, Arlington, VA. (Peer-reviewed)

Tang, R., & **Oh, K.** (2017, March). Processing news through smartphones: A self-reported study of mobile news behavior of university students. Presentation at the *Public lecture series*, Simmons University, Boston, MA.

Colón-Aguirre, M., & **Oh, K.** (2017, January). Use of Google Scholar versus academic library website. Poster presented at the *Association for Library and Information Science Education (ALISE) Annual Conference*, Atlanta, GA.

Oh, K. (2016, January). Do users' tag choices reflect term frequency? Analysis of tags in Del.icio.us. Poster presented at the *Association for Library and Information Science Education (ALISE) Annual Conference*, Boston, MA.

Oh, K., & Reyes, V. (2015, April). What's in your office? A study on how academics manage their personal digital information and personal paper-based information in their workspace. Poster presented at the *Personal Digital Archiving (PDA) Conference 2015*, New York, NY. (Peer-reviewed)

Oh, K. (2015, January). The process of organizing personal information. A summary of the dissertation presented at the *Association for Library and Information Science Education (ALISE) Annual Conference*, Chicago, IL.

Oh, K. (2013, October). Personal digital information categorization. Presentation at the *American Academy of the History of Dentistry 62nd Annual Meeting,* Boston, MA.

Oh, K., Ma, X., Bemis, K., Tremaine, M., & Silver, D. (2012, May). It depends on which way you cut it: Comprehending 3D visualizations. Poster presented at the 6th *Annual Perception Science Forum,* Piscataway, NJ.

Joo, S., & **Oh, K.** (2012, April). Investigation of users' preference of access points in using online health resources. Poster presented at the *3rd Annual SLIS-SOIS (School of Library & Information Studies-School of Information Studies) Forum,* Madison, WI.

Bemis, K., Silver, D., Chiang, J., Halpern, D., **Oh, K.**, Tremaine, M. (2011, December). Separating the representation from the science: Training students in comprehending 3D diagrams. Poster presented at the *American Geophysical Union (AGU) Conference,* San Francisco, CA.

Silver, D., Tremaine, M., Bemis, K., **Oh, K.**, Halpern, D., & Velez, M. (2011, May). Developing scientific visualization literacy for cyberinfrastructure training. *National Science Foundation (NSF) Cyberinfrastructure Training, Education, Advancement, and Mentoring (CI-TEAM) Principal Investigator's Workshop*, Champaign-Urbana, IL.

Oh, K. (2010, April). Exploring student behavior in the classroom with multiple technologies. Poster presented at the *LIS Research Showcase*, Rutgers University, New Brunswick, NJ.

Oh, K. (2010, January). Collaborating through topic map for knowledge management. Poster presented at the *Association for Library and Information Science Education (ALISE) Annual Conference*, Boston, MA.

Invited Seminars, Talks, and Interviews

Oh, K. (January 2025). *Personal file organization & shared file management*. Personal Information Management (PIM) Research Seminars. (Invited speaker)

Oh, K., & Tang, R. (alphabetical order) (2023). *Interview with the authors: Kyong Eun Oh and Rong Tang on Smartphones & Current Events.* Interview with Lauren Hays at Lucidea. https://lucidea.com/blog/interview-with-the-authors-kyong-eun-oh-and-rong-tang-on-smartphones-current-events/ (Invited interviewee)

Bergman, O., Dinneen, J., **Oh, K.** (alphabetical order) (2022). *File management*. Personal Information Management (PIM) Research Seminars. (Invited speaker)

Oh, K., Puri, J., & Sellers, C. (alphabetical order) (2021). *Faculty excellence in scholarship series: Developing your scholarship toward tenure and promotion*. Simmons Center for Faculty Excellence. (Invited speaker)

Oh, K., & Sunoo, J. (alphabetical order) (2021). *Secret of success in winning ASIS&T's Student Chapter of the Year Award 10 times!* Interview with Dr. Sam Chu, the Director of ASIS&T Chapter Assembly. https://asistchapterassemb.wixsite.com/bestp/post/secret-of-success-in-winning-asis-t-s-student-chapter-of-the-year-award-10-times (Invited interviewee)

Oh, K. (2020). *Personal information organization in everyday life.* Rutgers University, New Brunswick, NJ. (Guest lecture in the course Application of Research in Information Technology)

Oh, K., & Reyes, V. (2015). *How academics manage their personal digital and paper information in their digital workspace*. The Signal: Digital Preservation - Library of Congress Blogs. Retrieved from http://blogs.loc.gov/digitalpreservation/2015/07/how-academics-manage-their-personal-digital-and-paper-information-in-their-digital-work-space/ (Invited posting)

Oh, K. (2008). *A study on the factors that impact on users' convenience in finding books.* Yonsei Central Library Workshop, Yonsei University, Seoul, Korea.

TEACHING

Simmons University, School of Library & Information Science

Instructor

- Information Organization - *Master's level (in-person & online)*
- Metadata - *Master's level (online)*
- Applied Statistics for Library & Information Science - *Doctoral level (in-person & online)*
- Evaluation of Information Services - *Master's level (in-person)*
- Technology for Information Professionals - *Master's level (in-person)*
- Independent Study for Doctoral Students - *Doctoral level (in-person & online)*

Guest Speaker

"Classification, organization, and management of information" in the course LIS 620: History, Concepts, and Research Opportunities, 2021

"Personal information organization in everyday life" in the course LIS 484: Theories of Information Science, 2020

"Personal information management" in the course LIS 484: Theories of Information Science, 2018, 2016

Rutgers University, School of Communication & Information
Instructor

- Metadata for Information Professionals - *Master's level (online)*
- Application of Research in Information Technology - *Undergraduate level (in-person)*

Teaching Assistant

- Organizing Information - *Master's level (in-person)*

Yonsei University, Dept. of Library & Information Science
Teaching Assistant

- Information and Society - *Undergraduate level (in-person)*

Dissertation Committees, 2015-present

Jiebei Luo (in progress). Exploring university students' data seeking behaviors in the social sciences. Chair of the Committee.

Jennifer Sunoo (in progress). Serendipity and innovation: Information encountering at work. Committee Member.

Ceilyn Boyd (graduated in May 2025; now a Dataverse Development Project Manager at Harvard University). "Is this data?" Investigating how curators identify, define, and repair research data in data repositories. Committee Member.

Matthew Sullivan (graduated in May 2024; now a Librarian at Harvard University). Habits and heuristics: How librarians evaluate news online. Committee Member.

Farraj Alsaeedi (graduated in May 2022; now an Assistant Professor at Kuwait University). Information sharing for academic purposes: A mixed method investigation into the use of social networking tools for learning among undergraduate students at Kuwait University. Chair of the Committee.

Wenqing Lu (graduated in May 2021; now a UX researcher at General Electric (GE) Healthcare). Using social media tools for collaborative learning: A mixed-method investigation on collaborative learning by iSchools students around the world. Committee Member.

Reham Alshaheen (graduated in October 2018; now an Assistant Professor at Kuwait University). User experience and information architecture of national library websites. Committee Member.

Sarah Al Mahmoud (graduated in May 2018; now an Assistant Professor at Kuwait University). Information seeking behavior of U.S. public health professionals in the digital age: An exploratory investigation. Committee Member.

Vanessa Reyes (graduated in May 2017; now an Assistant Professor at East Carolina University). Personal information management: A study of the practical aspects that involve archiving personal digital information. Committee Member.

Qualifying Examination Committees, 2014-present

Ramin Naderi (Summer 2025); Jiebei Luo (Fall 2023); Jennifer Sunoo (Fall 2023); Yishan Zhang (Fall 2022); Megan Blakemore (Fall 2018); Alexia Hudson-Ward (Fall 2018); Wenqing Lu (Spring 2018); Zachary Newell (Fall 2017); Reham Alshaheen (Fall 2016); Bedour AlShakhs (Summer 2016); Sarah AlMahmoud (Summer 2016); Shabnam Shahvar (Spring 2015); Watinee Sae-Lim (Fall 2015); Heather Perry (Fall 2015); Anastasia Weigle (Fall 2015); Vanessa Reyes (Summer 2014)

Faculty Advisor, Doctoral Student Association (DSA) Faculty Advisor, 2023-present

Faculty Advisor, Simmons-Yonsei Dual Degree Student Faculty Advisor, 2014-present

Faculty Co-Advisor, DSA, 2020-2023
